

Map showing a network of streets and a highlighted red route with 59 numbered stops (V01 to V59). The map includes residential areas, green spaces, and a river. A yellow line highlights a specific road, R DE TERSAC, which runs horizontally across the middle of the map. The red route starts at V01 in the bottom left, moves east along R DE TERSAC, then turns north and follows a path through various residential streets, ending at V59 in the top right. The map is densely packed with street names and building footprints, with green areas representing parks and blue areas representing water bodies.
